

Hebridean Island Images

is pleased to present
“An Eye on the Hebrides”

Are you looking for an evening's presentation ?
Short notice bookings accepted.

“An Eye on the Hebrides”
is a photographic tour through the Hebrides.
An evening of wonderful images, some history and a
few humorous stories, all accompanied with AV
sequences and captivating music.

“An Eye on the Hebrides”

This presentation lasts for an hour and three quarters, allowing for a fifteen minute coffee/tea break after the first hour.

The show is personally presented and includes some historical facts as well as other information of interest on the Hebrides and some humorous anecdotes along the way, but it is mainly photographs.

The images, which have been taken over the last fifteen years, are arranged in a series of audio visual sequences and cover all the Hebridean Islands with some evocative music to match the photographs.

You only need to provide a screen and a digital projector. If I am not already booked, I could come along at just a day's notice.

If you would like more information, or find out where it has been seen already, then do call me.
