*“Beyond Capricorn”*

The latest and possibly the last presentation from this highly acclaimed photographer continues with

*“Beyond Capricorn”*

A 10 week tour to Singapore, Australia & New Zealand. Crossing both Tropics, the Equator & the Tasman Sea. Roam Australia’s East Coast & its Red Centre, before crossing to New Zealand to wander in its scenery and old world colonial charm.

## *“Beyond Capricorn”*

This personally presented show lasts for two hours including a fifteen minute coffee/tea break after the first hour.

We enjoy a visit to Singapore & its wonderful orchid collection before moving on to tour Australia’s East Coast and its sweltering Red Centre. Then on to New Zealand, a land steeped in history & colonial charm, to spend endless days touring the mystical majesty that these islands display in what has become a presentation that is truly a labour of love.

I supply all the equipment required, even a screen if needed.

**If not already booked, I could come along at just a few hours notice.**

If you would like more information on this or any of the previous presentations, “An Eye on the Hebrides”, “The Island Dream”, “Hebridean Hopscotch” or “Another World, Another View” and “A Window on the World”, then do telephone me.
